

# Welcome

Dear Parents/Carers

It is the beginning of the school year and I take this opportunity to extend a warm welcome to you and your family. We look forward to a wonderful year of learning for your child/ren as we continue to develop partnerships built on a mutual respect and understanding.

Our School Vision of "Today's Effort Tomorrow's Success" epitomises the attributes of a Lifelong Learner. The notion that strong commitment to being the best person you can possibly be will generate a culture of achievement and success is shared by our whole school and wider community.

As we embed the foundations of the "You Can Do It Program" into our school curriculum we will engender in our students the life long skills of Persistence, Organisation, Getting Along, Confidence and Emotional Resilience. We believe these attributes will support your child/ren to become a well rounded citizen ready for life's challenges.

Have a wonderful year.

Regards  
Ronnie Hill
